Town Clerk Services

Dog Licenses: Licenses are available by Feb 1st of each year, and ALL dogs must be licensed by April 1st. Fee is \$9.00 for spayed/neutered dogs and \$13.00 for intact dogs. Must present certificate of current rabies vaccination and proof of spay/neuter. Late fees apply after April 1st. To license by mail, print the form online at <https://bit.ly/3GqkcX8>

Green Mountain Passports: Persons 62 or older are eligible to apply for a Green Mountain Passport, which provides free admission to Vermont State Parks and Historic Sites. Contact the office for further information.

Land Posting: If you wish to post your land you must file a form at the Clerk's office annually for a cost of \$5.00. If you post your land for the first time in March, your posting expires the following March, and you must file a new form. Guidelines for "legal posting" are available with sign location and size.

Land and Historical Records: Property and other official records are available for self-service viewing during normal business hours. If you require assistance, please call ahead.

Marriage Licenses: Marriage licenses can be issued up to 60 days prior to the event for a fee of \$60, plus \$10 for your own copy. For questions about getting married in Vermont, contact Dept. of Health at 802-863-7200 or 800-439-5008.

Notary: Notary services are available to Charleston taxpayers and residents at no cost. Please call ahead.

Property Tax Payments: The Clerk will accept tax payments in person or by mail up to the 5:00pm October 20, 2023 deadline. At that time, unpaid taxes are placed in the hands of the delinquent tax collector, subject to penalties. Please note that post markings are not acceptable as payable dates.

Recording: Documents for recording in the Charleston Land Records can be mailed or presented in person along with the \$15 per page fee. \$25 for plat maps.

Vehicle Registration Renewals: The Town Clerk's Office is able to renew selected registrations and give out temporary "R" stickers. If you received a renewal notice in the mail and there are no changes other than address change, you may renew at the Town Clerk's Office during regular hours. Payment by check to the VT Department of Motor Vehicles for renewal fee, as well as a \$3.00 payment to the Town is required.

Vital Records: Certified copies of Birth, Marriage and Death Certificates are available for \$10 each. Beginning July 1, 2019, an application must be filled out to obtain certified copies of a birth or death certificate.

Teri Gray, Town Clerk & Treasurer

Town Meeting & Voter Registration

2023 Charleston Elections

Mar 7 Town & School District Annual Meeting

Charleston Elementary School, 255 Center School Rd, 10:00 am until all business is concluded. All offices and articles are voted from the floor. Local ballot voting such as North Country Union High School District will continue at the School until 7:00 pm.

Charleston residents and property owners who are not registered voters are encouraged to attend Town Meeting, however, you may not vote on any measure. Non-voters may not comment on any business unless they are given permission by a majority of voters present.

Register to Vote

Applicants must register to vote in the town where they currently reside. Eligible residents are able to register to vote at the Town Clerk's office on any day up to and including Election Day during regular hours.

You may also register to vote online at olvr.vermont.gov

First Time Registering by Mail or Online

If you are registering to vote in Vermont for the first time by mail or online, you must include a scan or photocopy of an acceptable form of ID. Acceptable forms of ID are:

- Valid photo ID (driver's license or passport)
- Current utility bill
- Current bank statement
- Another government document containing your residential address

Once you are registered to vote, you may update your information, request an absentee ballot, or print a voter registration certificate online at My Voter Page mvp.vermont.gov

Am I eligible to register to vote?

To be eligible to vote in Vermont you must: (Eligibility requirements are in 17 V.S.A. § 2121, 2122)

1. be a citizen of the United States;
2. be a resident of Vermont and a resident of the town in which you apply to be added to the checklist; (OR be a military or overseas voter qualified under the federal Uniformed and Overseas Citizens Absentee Voting Act whose last place of residence in the United States immediately prior to moving overseas was in a Vermont town or city);
3. take, or have previously taken, the Voter's Oath; and
4. be 18 years of age or older or will be 18 on or before the day of election.

Highway Right-of-Way (ROW) & Policies

The Town's ROW. Vermont law gives towns a legal maintenance right-of-way (ROW) on all Town highways, which extends 24.75 feet in either direction from the center of the road. Within the ROW, the Town has the authority to perform maintenance like ditching, cutting trees, and altering the roadbed as needed. State law also specifies that items are placed in the ROW at the owner's risk, and the Town assumes no responsibility for damage to these items—this includes mailboxes.

State Mandates. The Town is obligated to maintain road drainage networks—road crown, ditches, and culverts—according to new state standards. Proper drainage means fewer washouts, fewer costly repairs over time, and less road pollution and sediment in our waterways. The Selectboard has adopted the following policies to make sure the Town highway department can perform needed maintenance.

Driveway Culvert Policy: It is the responsibility of a property owner to buy, install, and maintain driveway culverts. For ANY driveway entering a town highway, property owners must consult with the Road Foreman, who will determine the required culvert specifications (never smaller than 15 inches in diameter per state standards). If a property owner fails to install the appropriately sized culvert, the town highway crew may cut a ditch across the driveway to maintain proper road drainage. (*adopted June 11, 2015*)

ROW Fencing Policy: Fencing in the Town ROW is installed at the owner's risk. Fencing installed in the ROW, or which blocks access to the ROW, must be removed upon request of the Road Foreman for maintenance and construction projects. In such cases, the Road Foreman will notify the property owner of the deadline to remove fencing. If fencing is not removed, it will be removed by the highway crew or contractor, and the Town is not responsible for damage incurred. Owners are responsible for reinstalling fencing and must install it outside of the ROW. The Town cannot take responsibility for damage caused by necessary snow-plowing, so it is strongly recommended that fences be taken down before winter. (*adopted 12/14/2017*)

Policy on Utilities in the ROW: Any cable or utilities installed under the road or within the Town's highway ROW must be buried at a minimum depth of four feet below the level of the road or ditch to allow the highway crew to perform routine ditching and culvert replacement without interrupting residents' services. Keep in mind that 'Dig Safe' does not detect low voltage cables, like telephone and television cables. (*adopted 12/14/2017*)

No Plowing of Snow Across Highways. State law prohibits plowing, blowing or shoveling of snow across or onto a Town or state highway. It also gives Towns authority to levy fines and penalties, and to hold violators liable for damage to property, vehicles, and any undue cost to the Town for removal of this snow. By law, the actual cost for the specific equipment and manpower used to remove this snow may be charged to the private property owners, with a minimum charge of one hour per Road Department personnel and equipment.

WINTER SAND: The Selectboard currently permits residents to fill a 5-gallon bucket or two from the small sand pile near 105 for deicing your driveway. Please bring bucket(s) and a shovel. For safety, please keep off the road department sand pile behind the garage. Use of sand for any commercial purpose is prohibited.

Charleston Community Solar

In its fourth full year of operation, the Charleston Community Solar array generated 112.253 MWh. Full remote monitoring functionality was restored in 2022. To track array production, visit charlestonvt.org, and select 'Departments' then 'Community Solar.'

Minutes of the 2022 Annual Town Meeting

Tuesday, March 1, 2022 at the Charleston Elementary School

The Annual Town & School District Meeting was called to order at 10:00 am by Moderator Jean Wilson, with School Business concluding at 10:17 am. With Moderator Jean Wilson having been re-elected during School Business, business began with Article 2.

Article 2. To elect all officers as required by law.

Town Clerk & Treasurer: Teri Gray nominated by Bob Devaney, second by Cindy Lyon. Unopposed. Elected for 3 years.

Selectboard: Peter Moskovites nominated by Bob Devaney, second by Penelope Newcomb. Unopposed. Elected for 3 years.

Lister: Steve Wilson nominated by Bob Devaney, second by Cindy Lyon. Unopposed. Elected for 3 years.

Auditor: Diana Marckwardt nominated by Penelope Newcomb, second by Mickey Morelli. Unopposed. Elected for 3 years.

Delinquent Tax Collector: Grace Frizzell nominated by Bob Devaney, second by Mickey Morelli. Unopposed. Elected for 1 year.

First Constable: No nominations; open seat.

Second Constable: David Bradshaw nominated by Penelope Newcomb but declined the nomination. No other nominations; open seat. Discussion: Dan Whipple asked if the town could reach an agreement with local law enforcement like the Orleans County Sheriff, since Charleston has been unable to elect a Constable in recent years due to steep training requirements and low pay. Pat Austin said the town met with the Sheriff, so such an agreement is not off the table, but it is expensive for only 4-6 hours per week. He does not see a lot of need and feels a Constable could handle small complaints. He added the Town is also looking for a Health Officer. Bob Devaney said if the Town wants a Constable, we may have to up the ante, and Peter Moskovites agreed, saying there would have to be a budgeted item with adequate pay. The Town would pay for required training.

Cemetery Commissioner: Martin Davis nominated by Bob Devaney, second by Corrinne Moulton. Unopposed. Elected for 5 years.

Article 3. Shall the voters authorize the Treasurer to collect current taxes with a final due date of Friday, October 21, 2022, with the policy of turning over to the delinquent tax collector taxes not physically received by the Treasurer in the Town Clerk's office by 5:00 pm on October 21, 2022, with postmarks not accepted as timely payment? Moved by Nancy Engels, second by Peggy Stevens. Vote: Ayes have it: RESULT: Passed.

Article 4. Shall the voters authorize total fund expenditures of \$896,555.13 for selectboard, highway, and cemetery operating expenses for the year beginning Jan. 1, 2022, of which \$663,562.06 shall be raised by taxes and \$232,993.07 by non-tax revenue? Moved by Dan Whipple, second by Bob Devaney. Vote: Ayes have it. RESULT: Passed. Discussion: Chair Patrick Austin said this year's budget is straightforward and includes only small increases needed to maintain basic town function—resulting in an estimated \$.01 tax rate increase. Ron Lavoie asked if roads to only one house can be thrown up to save maintenance costs. Austin said the board is looking into this and happy to talk further about considerations—including the reclassification

process and aid received for these roads—at a selectboard meeting. Selectperson Peter Moskovites said that a recent court case overturned a board decision to discontinue such roads when cost savings was the only reason because the roads are a public good. Helene Schnopp said the town stopped plowing her road even though her daughter needed access for health care. Moskovites said that Class 4 roads are not plowed.

Article 5. Shall the voters authorize the Selectboard to transfer the 2021 Road Surplus of \$61,596.12 to the Road Equipment reserve fund? Moved by Rod Lyon, second by Penelope Newcomb. Vote: Ayes have it. RESULT: Passed. Discussion: Rod Lyon, who worked for years as Derby's Road Foreman, said this was a great idea. Derby did the same thing and was able to buy three trucks during his time there without raising tax funds to do it. David Bradshaw clarified that these funds can only be used for road equipment.

Article 6. Shall the voters appropriate the sum of \$50,000 to the Charleston Volunteer Fire Department and direct the Selectboard to assess a tax over and above the budget to meet the same? Moved by Rebecca Midthun, second by Bob Devaney. Vote: Ayes have it. RESULT: Passed. Discussion: Referring to the department financial report on page 42 of the Town Report, Treasurer Blair Moulton said the correct amount of the Robert Frizzell Memorial Fund was \$735, but the bottom line remains the same.

Article 7. Shall the voters renew a property tax exemption for the fire station parcel in East Charleston owned by the Charleston Volunteer Fire Department for a period of five years (through 2026 tax year)? Moved by John Kellogg, second by Corrinne Moulton. Ayes have it. RESULT: Passed.

Article 8. Shall the voters appropriate the sum of \$12,374 to the following organizations, which received appropriations of the same amount in 2021, and direct the Selectboard to assess a tax over and above the budget to meet the same? a. \$500 to Charleston Historical Society for support of the museum and collection; b. \$1,000 to Echo Lake Protective Association for milfoil prevention programs; c. \$800 to NorthWoods Stewardship Center for conservation and education services; d. \$1,100 to Dailey Memorial Library for services to residents; e. \$700 to Island Pond Library for services to residents; f. \$1,650 to Rural Community Transportation for transportation services to residents; g. \$500 to Orleans County Citizens Advocacy for mentoring individuals with developmental disabilities; h. \$600 to Northeast Kingdom Council on Aging for services to elder and disabled Vermonters; i. \$1,074 to Northeast Kingdom Human Services, Inc. for mental health, substance use, and intellectual disabilities services to residents; j. \$500 to Pope Memorial Frontier Animal Shelter for care of unwanted pets; k. \$3,000 to Orleans Essex VNA & Hospice for community nursing and health programs; l. \$50 to GreenUp Vermont for the statewide cleanup event and bags; m. \$100 to VT Rural Fire Protection Task Force for the Dry Hydrant Program; n. \$100 to Vermont Symphony Orchestra Symphony Kids for performances for local students; o. \$700 to Umbrella for domestic violence prevention and services to victims Moved by Nancy Engels, second by Sam Stevens. Vote: Ayes have it. RESULT: Passed. Discussion: David Bradshaw said these are about the best way to spend town money other than keeping up the roads, especially ELPA, since it's important to stay on top of water quality issues.

Article 9. To transact any other business that may legally come before this meeting.

Minutes

Fire Chief Duane Moulton said that changes are happening to local dispatch that will increase the fire department budget next year—the first budget increase in years. Vermont State Police dispatch in Williston will stop providing dispatch within six months due to labor and budget issues. After exploring options, Newport Police Department will provide local dispatch for 19 departments within the Mutual Aid area. This is expected to cost CVFD around \$3100 per year, a third of which will come from the Town of Morgan. The new arrangement will be an advantage because they know the area well. Residents will not see any change in service. Calls still go to 911, but instead of Williston dispatch, Newport Police dispatch will “tone” member firefighters who carry beepers. Rebecca Midthun acknowledged CVFD’s recent congratulations from VSP for their work on a very tough accident a couple weeks ago, and voters responded with applause. Member Bob Devaney said volunteering was strong in Charleston, with 26 members of the department, and he is proud to volunteer.

Penelope Newcomb said the Ralph Sweatt estate included a library of Abenaki records that are in need of a home. Jess Applegate suggested she contact Lucy Neel about a museum at the old Holland School.

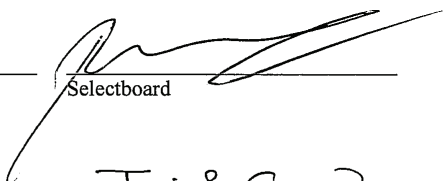

Seeing no other business, the Annual Town Meeting was adjourned at 11:03 am.

Listers' Report & Property Tax Exemptions

It has been almost 4 years since the completion of the town wide reappraisal. Properties on average continue to sell for higher than listed values. The new Equalization Study results show the common level of appraisal (CLA) at 83.26% and the coefficient of dispersion at 17.37%. The data includes 3 years of property sales as the basis. A CLA below 85% requires a reappraisal of all properties in town. The Listers are preparing to perform a statistical update to fulfill this requirement.

The following breakdown is available for your information and review:

Fire Department Report to the Town of Charleston Year Ending 2022

The year 2022 marks the 68th year for the Charleston Volunteer Fire Department. 2022 saw the department called out a total of 28 emergency calls. Breakdown of the calls included structure/chimney fires, ambulance assist, motor vehicle accidents, fire or (CO) detector activations, and mutual aid calls to area departments.

Our membership in 2022 dropped from previous year but we are still at 22 regular members and 1 junior member.

Finally in 2022 we were able to hold our annual oyster supper. We want to thank all who were able to attend, and also thank you to all the Charleston community for your continued support.

This year's budget CVFD submits a request of \$50,000. The request reflects a level fund for 2023 (\$38,245 as our regular budget and \$11,755 to the annual tanker payment).

Also as we discussed at last years town meeting we shifted dispatch services from VSP to Newport PD because it is no longer a free service. So we are requesting a separate line item this year of \$2,291.26 to cover cost Charleston's share of dispatching. Total cost of CVFD dispatching is \$3,161.25 of which Morgan will be billed \$869.99 broke down per square mile of coverage.

As always, the commitment of CVFD members to their community is voluntary, with no members being financially reimbursed for their time. All dollars which the department receives, goes directly to defray cost of operations.

We thank the Charleston community for their continued support.

Newport Ambulance Service Inc, P.O. Box 911 Newport, Vermont 05855

Town of Charleston 2022 Report

Our call volume increased to 3107 calls in 2022 from a total of 3052 in 2021. In 2022 Newport Ambulance responded to 134 emergency calls in the Town of Charleston and transported 14 Town residents from North Country Hospital to receive care in other facilities. We have also responded to 61 calls for mutual aid.

Our Crews continue to work close with the Vermont Dept. of Health and Vermont Emergency Medical Services to assist with the statewide COVID 19 testing and Vaccine sites throughout the state. In 2022 Newport Ambulance hosted a drive through Covid testing site. We also have delivered thousands of Covid and flu vaccines to patients throughout Orleans and Essex County. We currently are serving as a drive through COVID-19 and Flu vaccine site at our 830 Union Street location 2 days a week.

Newport Ambulance has been fortunate to continue and receive funding from the Coronavirus Emergency Outbreak Testing & Vaccination Administration Grant. This funding was used to pay off the Mortgage on the Morgan Station and keep the cost down to the taxpayers.

Currently the ambulance service has 3 crews providing 24/7 service. This service presently has 6 ambulances, and a Paramedic first response car that are stocked and available to respond, at the Advanced Life Support level, at any time.

Newport Ambulance has substation in Morgan and is running a crew there 24/7. This will help serve parts of Derby, Holland, Morgan, Charleston, and Brighton.

Newport Ambulance facilities are located at 830 Union St, Newport and 8437 RTE 111, Morgan.

Newport Ambulance Service thanks you for your support and looks forward to serving you and your town.

Respectfully,

Jeffrey J. Johansen,
Executive Director

The 2022 Annual Report is dedicated to
Bernie Pepin
(1968-2022)

Bernie Pepin provided exemplary service to the Town of Charleston Highway Department for more than a decade, joining the crew in July of 2012 and advancing to Foreman in October of that year. Over the years, Bernie built a reputation for high quality road maintenance and improvement projects that serve to reduce repeat maintenance in trouble areas and make Charleston roads more resilient.

With Bernie's guidance, the Town built a strong fleet of vehicles and equipment that have increased the Town's capacity to complete construction projects in-house. He took pride in meticulous maintenance of town equipment and the highway garage, and managed resources like the town's sand and gravel pits to bring the greatest benefit to residents and taxpayers.

In 2017, Bernie helped the town secure a USDA grant to purchase a pick-up, enabling Charleston to plow intersections, transport crew, and perform light duty tasks more efficiently. In the photo above, Bernie (*center*) celebrates the new truck purchase along with former crewmember Kiki Margolla, former Selectboard member Glenn Peterson, and current crewmember Roger Patenaude.

Town officials wish to express their gratitude for Bernie's hard work, smart management of town resources, and for his unfailing good humor. Charleston is better off for his service, and he will be deeply missed.
